

ARISE ARJUNA REIGNITE YOUR SOUL

CHAPTER

nhsf.org.uk/arisearjuna/chapter.php

ANOTHER document?! How many more we gonna get??

Yes another document, but this one's different you see.

Convince me...

Well, this one is all about how we can celebrate the themes of Arjuna Arjuna, NHSF's 20th anniversary, on the Chapter level.

How does it help us do that?

It's got loadsa different ideas of events and improvements to current things that chapters do, which will save two birds with one document (← see what I did there... making it Dharmic ☺).

What's more, it's innovative, it's helpful and, most of all, it's practical.

Oh cool, sounds good! So what kind of ideas and improvements are there?

Ok, here goes:

- #1 – Yoga Classes
- #2 – Improve Your Weekly Worship Event (e.g. Aarti, Hanuman Chalisa)
- #3 – Do Something Amazing...
- #4 – Creativ-ism-ness
- #5 – Hindu Heroes/Heroines Snippet
- #6 – Gameshows and Plays
- #7 – Hindu Awareness Day/Week
- #8 – Discussions on Hindu Scriptures

Wow! Some phenomenal ideas there! Let's have a looksies....
